Chili Cookoff Guidelines

Thanks for taking part in the Mount Vernon Chili Cookoff. These are a few guidelines to help make the cookoff a success for teams and for the public.

The cookoff takes place on First Street East in uptown Mount Vernon. Portable rest-rooms and a handwashing station will be on site.

Please note that food safety is critical. Use sanitary practices and keep chili hot. The Linn County Department of Health will inspect each team's set up.

- **Chili must be cooked on site. Five gallons minimum.**
- Camp stove/propane use/turkey fryer pot recommended
- Limited electricity is available. Power strips are not allowed.

You'll need to bring:

- Extension cord – if you are using electricity.
- Heat source
- Hats/Hairnets.
- Food thermometer(s)
- A 10x10 tent is required. Please bring your own if you have one.

You'll be provided:

The cookoff committee will provide each team with one 8-foot table; a handwashing station; a sanitizing sprayer/paper towels; a bucket for compostables and a recycling bin; and gloves, cups, napkins and spoons for serving. In addition the cookoff committee will provide a common rinsing station for utensils.

There will not be a place to wash dishes, so please plan accordingly.

Timeline:

- 11 a.m. – Set up
- 11:30 a.m. – Cooking begins
- 4 p.m. – Public arrives
- 6:45 p.m. – Voting ends for People's Choice

Finally, we are endeavoring to make this a waste-free event. All supplies provided by CDG can be recycled or composted. We ask you to participate by avoiding styro-foam and other non-recyclable, non-compostable trash as well.
