

# Brunch Buddies Student Application

Cornell College and the Mount Vernon-Lisbon Community Development Group (CDG) have partnered together to bring you Brunch Buddies! This program is similar to the well-known Lunch Buddies program, but is geared toward helping Cornell students and Mount Vernon/Lisbon community members get to know each other on an individual level. Based on your responses below, you will be paired with a community member and expected to meet in person once a block. Bring them to lunch on the Hilltop, go to the Bijou together, take a walk at Palisades, experience a Mount Vernon/Lisbon Community theatre performance, and so much more!
