

Brunch Buddies Community Application

Cornell College and the Mount Vernon-Lisbon Community Development Group (CDG) have partnered together to bring you Brunch Buddies!

This program is similar to the well-known Lunch Buddies program, but is geared toward helping our diverse population of Cornell students and Mount Vernon/Lisbon community members get to know each other on an individual level.

Based on your responses to the attached application, you will be paired with a Cornell student and expected to meet in person once a block (approximately once per month during the academic year; see calendar below). Bring your buddy to lunch at your favorite local eatery or meet them on campus at the Hilltop Cafe, go to the Bijou together, take a walk at Palisades, attend a concert or lecture, experience a Mount Vernon/Lisbon Community theatre performance, and so much more!

Questions can be directed to Joe Jennison at (319) 210-9935 or through email at director@visitmvl.com

Completed applications may be turned in via email to the address above or dropped off at the Cole Library (on Cornell's campus, at the end of Library Lane).
