Our 16th Annual Chalk the Walk is right around the corner and so is SPRING!!

The Chalk the Walk Committee is very excited to be planning for an **in person** event this year and starting off the year of festivals here in Mount Vernon with a colorful Chalk the Walk bang! Historically, Mount Vernon experiences a surge of visitors for this event and the committee is *working hard* to plan for extra health safety measures, spreading the festival grounds out to accommodate for social distancing and creating extra space between the artists' squares this year too. Please also know that the committee is dedicated to keeping up with the ever changing recommendations by doctors and science. We will be keeping up with the newest recommendations as we move through the next few months and make any last minute decisions as necessary for this event and our communities public safety.

Chalk the Walk 2022 is Saturday and Sunday, May 7th and 8th.

Chalk the Walk has grown to be one of the most anticipated annual events in our community and we are so thrilled to be planning for an in person event this year after being tucked inside for so long. It's due to Sponsorships from local businesses and individuals like you that make the magic of Chalk the Walk come to life year after year. Thank you!

Enclosed with this letter are the details regarding sponsorship levels. While the sponsorship form offers three sponsorship levels, we understand that these proposed levels may not fit your current giving situation. *Please know that any donation amount is greatly appreciated.* Additionally if you have an alternative sponsorship idea to propose, I invite you to contact us directly to discuss possibilities.

If you have *any* questions about *Chalk the Walk* or sponsorships, please feel free to contact us by email.

Thank you for being a vital part of our community and for your consideration in helping us with this wonderful event!
